

Hurricane Ike Recovery

Mission teams from outside of the Pearland area who wish to help with clean-up following Hurricane Ike are invited to stay in our M.F.C. (fellowship hall). Electrical power has been restored to our facilities. The building has a full kitchen with gas cooking, restrooms with showers (1 men & 1 women) and a large room for sleeping. We will provide a work site and crew leader. Teams will need to supply meals and bed rolls. We do not charge a fee. Love offerings are accepted, however!

Contact Lori Saia at lsaia@fumcpearland.org or 281-485-1466 ext. 126.

If you are looking for organizations to help coordinate work for your team, contact:
