### **God’s Evening Sky**

*I was just sitting here  
observing the beautiful  
evening sky; with all those  
gorgeous colors, so pleasing  
to the eye. There were reds  
and yellows, greens and  
golds, satiny whites and  
blues. Blended all together  
forming the most beautiful  
hues. Isn’t it great what God  
can do? He gives us scenes  
like these. And all we have to  
do is look, for they were  
painted free. They were put  
there for everyone, not just  
you and I. That’s why God  
painted them, all across His  
evening sky.*

**Our Class** includes a mix of ages. We have couples, singles, widows, widowers, great-grandparents, mostly grandparents. All are young at heart!

Because we have enough years behind us that we recognize the fragility of our lives, we are serious about caring for one another.

We are a Bible study group with lots of discussion and many points of view.

Our class helps with our church's Easter and Fall Fest events. When possible, we quietly lend a helping hand to the needs in our church and community.
