Our Class

We are a diverse group of people at various stages in the life cycle.

We have formed this class to read The Daily Walk Bible, NLT in 2009. When we gather on Sundays we talk about how what we've read during the week applies to our daily lives. We share our aha! moments, different perspectives on things we may have read for the first time and wrestle with questions that arise. As we read the Bible and meet together our focus is on relationship with God and with each other.

We will pray, study, laugh, cry, serve and play together.

Our Mission

We will encourage, support and challenge one another to grow and mature in living each day as Christ taught us to do.

Our Goal

To grow in relationship to God and each other in our daily walks; to share our journey with others through prayer, encouragement and support in times of joy or despair; to serve our congregation and community with acts of mercy, support and compassion with our gifts, talents, time and resources; to make room for laughter and tears as we take this journey together.

Our Scripture

This is what the Lord says—the Lord who made the earth, who formed and established it, whose name is the Lord: Ask me and I will tell you remarkable secrets you do not know about things to come. Jeremiah 33:2-3 (NLT)

We open each class with...

The Prayer to the Holy Spirit

Come, Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And you shall renew the face of the earth. O God, who by the light of the Holy Spirit did instruct the hearts of the faithful, grant that by the same Holy Spirit we may be truly wise and ever enjoy your consolations. Through Christ our Lord. Amen.

We close each class with...

The Prayer of Thanksgiving

Almighty God, who lives and reigns forever, we give you thanks for all the gifts you have bestowed upon us. Amen.

What We Study

In 2009 we are reading The Daily Walk Bible, New Living Translation, designed with 365 dated readings to encourage reading the bible in a year. At the end of 2009, the class will determine how to proceed with bible study for the following year.

We also have some fun and fellowship.
This is a class bowling outing.
